

The Portland Athletic Boosters - Hall of Fame

The Portland Athletic Boosters Alumni Committee adopted criteria and considerations for election to the Portland Public Schools Athletic Hall of Fame to ensure fairness of selection, for future reference and uniformity. The nomination deadline for this year is April 1, 2003.

The Portland Athletic Hall of Fame will include individual, team and honorary recognition categories. Except for good cause, nominees will be eligible for selection five (5) years after their graduating class.

Election to the Portland Athletic Hall of Fame requires past, direct involvement with Portland Athletics. Considerations include, but are not limited to, Athletic achievement; Individual recognition (All Area, District, Regional, State, American, etc.); Character; Overcoming special circumstances (inspirational); Contributions to the team; Scholastic, Community Service; Professional and Service Accomplishments; Other Honors and Awards; Professional or Amateur Career.

Nominees not inducted will be kept on file for future consideration.

I nominate _____ for election to the Portland Public Schools Athletic Hall of Fame. (Please include as much detail as possible.) The Hall of Fame Dinner is October 11, 2003.

One of the objectives of the Portland Athletic Boosters is to complement funding provided by the Portland School District to Portland Athletics for 1) Operations; 2) Facilities and 3) Scholarships. Our goal is simply to be the best.

You can help us obtain our goal by your contribution to the Portland Athletic Boosters. Contributions to Operations go towards the annual needs of Portland Athletics. Contributions to Scholarships can be used to pay the required activity fee for Portland students and towards the financial requirements of post-high school education for our graduating seniors. Contributions to Facilities will be used to fund construction of facilities for Portland students and the surrounding community. It remains a dream for many of us to build an indoor facility and pool for use by our athletes and community.

Every contribution will entitle the contributor(s) to be recognized on a permanently inscribed plaque at the high school. An electronic contribution of \$10.00 a month (the price of a pizza) by 1,000 Raiders would be \$120,000.00 year. Think what we could do with that money. An indoor facility for tennis, volleyball and our other sports; an indoor pool; scholarships. And, its doable!
