

PORTLAND ATHLETIC ASSOCIATION SCHOLARSHIP

The Portland Association Club would like to assist student-scholar athletes with a grant to be used at a school of choice.

A scholarship will be granted in the name of Dr. Martin Kozachik.

The positive programs of Portland athletics stress scholarship, leadership, sportsmanship, character, and service. Financial support for this scholarship will be by contribution from the Portland Athletic Association.

During the spring of each commencement year, application forms will be available from the Athletic Director. Top high school male and female athletes are invited to submit their candidacy.

CRITERIA

1. Minimum cumulative G.P.A. of 3.25 on a 4.0 scale.
2. Participation in two varsity sports and at least one varsity sport during their senior year. (Special consideration may be given for injuries or circumstances deemed unusual.)
3. Involvement in school-sponsored activities, including other team memberships.
4. A 500-word essay describing how co-curricular activities have enhanced the student's educational experience, i.e. what life skill(s) have been gained through athletic participation, and how those life skills will benefit the student in the future. Life skills are any character-building trait (dedication, leadership, time management, etc.).
5. A wallet-sized **photograph** is desired and should be attached to the application.

Application must be submitted to the Athletic Director by May 7, 2010. All applications and essays should be typed. The application(s) will be forwarded to the committee formed to review the applications by the Portland Athletic Association.
